Overview of Non-ADA Service:

This is a curb to curb shared ride service offered in those communities that receive the MVRTA's fixed route bus service.

The MVRTA fixed bus route system operates in Amesbury, Andover, Haverhill, Lawrence, Merrimack, Methuen, Newburyport, North Andover and Salisbury. (See back panel for more information.)

EZ Trans is provided to those persons who are 60 years of age or older and to persons who meet the eligibility criteria established under the Americans with Disabilities Act (ADA) that are requesting service beyond the 3/4 mile corridor on each side of an MVRTA fixed bus route. For more information on the fixed route bus system, please see the back panel of this brochure. All participants must be certified through the MVRTA Office of Special Services.

Service is provided with MVRTA lift-equipped vehicles and on occasion is supplemented with other vehicles that may be vans or sedans. This service is intended to safely and efficiently accommodate as many customers per trip as possible.

This customer manual will detail policies that will help you and the other EZ Trans customers receive the best possible service. Please follow these policies to avoid any service disruptions to you and other EZ Trans customers.

How To Schedule A Trip:

- You can call the MVRTA Office of Special Services to reserve a ride at (978) 469-6878 (option 3) or toll free at (877) 308-7267 Monday - Friday 8:00am - 4:30pm.

- Please be ready to board the vehicle when it arrives. The driver will wait no longer than 5 minutes. If you are not ready and the driver leaves, your trip status will be recorded as a No-Show.
- You will not be able to reschedule another trip for the same day if you miss a trip.
- If the MVRTA vehicle does not come within the 30 minute window, please call the MVRTA Office of Special Services to check the status of your trip.
